

Spiritual Awakening Happy Libs

A day in the life of a spiritual being.

I awoke today feeling _____. I also awoke overnight at _____ and _____ a.m.

I remembered a dream I had where I was _____ the _____ and was _____ the _____ . Wow! You better believe I told _____ .

I then meditated _____ for _____ minutes and felt _____. In meditation I saw/felt/heard _____ which reminded me of _____ .

I feel gratitude for _____ and _____ and _____ , just to name a few things.

I AM _____. As the day went on I saw a sign for _____. Or was it a synchronicity? The time that it happened was at _____ o'clock. Oh that might be an angel number or numerology sign.

Mother Nature also paid me a visit. A _____ which represents _____ to me.

The last ascending symptom I felt was _____ and boy did it make me feel like _____ .

I was kind to myself though by _____ and _____ .

I also found that I had to let go of _____. Ah, all my chakras feel _____ and aligned.

The current vibration I feel is _____ so I _____. I often show my light by _____ . Tonight I hope to dream of _____ or _____ by the _____ .

But right now, I need to do something I love like, _____. That sounds _____ to me.

So in this *now* moment I feel _____. (Giggle) In fun and joy. Namaste.
